FAQ's

Q. Does a pass cover camping or any other types of fees?

A. No, a pass will only cover entrance or standard amenity fees. Camping, boat launch, tour and other types of use fees must be paid at the site. Also, some facilities and activities on Federal recreation lands are managed by private concessionaires who may not accept the pass. Please check with a location if you have questions about their fees and pass acceptance.

Q. Is a pass accepted at all Federal recreation sites?

A. Some Federal recreation agencies don't accept the Annual Pass (such as lands managed by the Army Corps of Engineers), and many Federal recreation sites do not charge entrance fees.

Q. Is there a discount for senior citizens, U.S. military or people with disabilities?

A. There are discount passes available for senior citizens, U.S. military or people with disabilities. You must be a U.S. citizen or permanent resident to qualify for a senior citizen or disability discount. To find out more about these discount passes visit: www.recreation.gov.

Q. How many people can sign an Annual Pass?

A. Two people can sign a pass; the signers don't have to be related or married. One of the signers must be present for it to be used.

Q. I have more than four people in my car. How many passes do I need?

A. One pass covers everyone in the vehicle at sites that charge "per vehicle."

Q. We are a family traveling in two vehicles. Does one pass cover both vehicles?

A. No. One pass covers one vehicle; two vehicles require two passes.

Q. What about motorcycle drivers who purchase a pass?

A. An Annual pass allows two motorcycles IF the two people who sign the pass arrive at the same time on two motorcycles, regardless of the number of people on each motorcycle.

Q. How do I display my pass at unstaffed Federal recreation sites?

A. A pass can either be displayed on your rearview mirror using a free hangtag or on your dashboard with the signature side showing. If you own an open-topped vehicle (jeep, motorcycle, etc.) you may obtain a decal to attach to your vehicle that will serve as proof of payment at unstaffed sites.

Q. Can lost or stolen passes be replaced?

A. No. Due to privacy and logistical considerations, passes cannot be replaced if lost or stolen; a new pass must be purchased.

Q. If I forget to bring my pass to a site and pay the fee, can I get a refund?

A. Refunds are not issued. Pass order confirmation letters, credit card receipts, and hangtags without passes are not valid for entrance or use.
